laughter, however to pay gle for home and native land. notice that he is required to

much attention. Senator McEnery's speech was one of the ablest vet de livered an the subject, and would be a magnificent campaign document for the Dem acrate of North Carolina.

Not a Matter of Merchandise.

A man was walking with his little bay at the close of the day, and in passing the cottage of a German laborer the boy's attention was attract ed by a dog.

It was not a King Charles nor a black and tan, but a common cur. Still the boy ted 'pa' to buy it.

Just then the owner of the dog came home from his labors and was met by the dog with every demonstration of joy. The man said to the own er: "My little boy has taken a fancy to your dog, and I will buy him. What do you ask for him?"

'I can't sell that dog,' said the German.

"Look here," said the man. but as my boy wants him ] will give you \$5:00 for him,"

"Yass," said the German. "I know he is a very poor dog, and he ain't wort' al most nottin,' but dere isla von liddle ding mit dat dog vot I can't sell-I can't sel de vag of his tail ven I come home at night.

## Nasal Catarrh-What Is It?

first principles of cure. Inhalers have been used, medicines have been taken internally and appli-ed externally, but no rehef has been experienced by the catarrh sufferer. Why? because the prima ry cause of the disorder has nev-er been unearthed—the first prin cognizant of the fact that the sords, a filthy, pellucid matter, and the parasites (minute ani male which exist in and eat the organs of smell) must be removed before a cure can be effected. would state in addition that all who are trying so-called cures for Nasal Catarrh, such as inhalations, patent medicines sniffed from the pain of the hand into the nostrils, Turkish Sulphur, Russian, galvanic, or cold water baths, are paving the way to deafness (by causing the closure of the Eusthachian tubes) sore throat, asthma, consumption and death. I cure Catarrh by means of the Extirpator. The The only way of destroying the parasite. The operation lasting only 80 minutes and comparatively without pain. Then the patient is free from the germ that produces catarrb, and the healing begins rapidly, and the cure is sure. I also cure Cancer: I remove cancer without knife. The operation does not confine patient to bed. I can remove a can cerous breast in from 12 to 16 days. All work done under a posi tive guarantee. If I fail to cure

either of the above diseases, I will cheerfully refund the money. Examinations free and all letters of enquiry promptly answered. Dr. C. W. Phipps, Specialist in Catarrh. Cancer and Tumor. Shull's Mills, N. C.
